

Training Courses' Gala Dinner

On the final day of the training course, the DIAC Gala dinner was held in honour of the delegates who successfully completed the course. This year's event was held at Al Rashidya Ballroom in Al Bustan Rotana Hotel. A joint graduation ceremony held in honor of those delegates who participated in the Arabic and English training courses. Speeches were delivered by well known personalities who praised DIAC for all its efforts in organising a successful event. The speakers also added that they hoped DIAC would follow this up by further expanding and organising further courses in the future.

The occasion was marked by the traditional welcoming of new DIAC members at the gala dinner. During the ceremony delegates were awarded with attendance certificates in the presence of Dr. Zouheir Chokr president of the Lebanese University and Dr. Hussam Al Talhuni, Director of DIAC. Certificates were also distributed by Professor Martin Hunter and Prof Philip Capper, instructors of the English training courses. As these training courses have achieved the DIAC's goals, we are looking forward up-coming stages, where each course will specialize in different topics more in depth. It will be a part of an on-going agreement between the DIAC, Kings College London, and the Lebanese University Beirut.

Graduation Ceremony for Arabic & English Training Courses in Al Bustan Rotana Hotel - Dubai

Honouring Dr. Choker, President of the Lebanese University, for their support and cooperation with the Dubai International Arbitration Centre

Lecturers of the training courses
